

belsh

B e l g i a n   S h o w e r   S o l u t i o n s

**belsh** creates and produces shower enclosures out of toughened safety glass. Our focus lies on creativity, quality, sustainability, service and flexibility.

How does belsh realise this?

The **belsh** shower enclosures are produced from toughened safety glass and elegant high-quality metal parts. **belsh** produces the enclosures preferably with the unique ShowerGuard® glass, by which the customer obtains a lifetime guarantee and an everlasting invisible coating for easy maintenance..

Thanks to the flexible production sites in Belgium, belsh more than anyone else is capable of delivering the enclosures in standard sizes, as well as customized versions, within very fast lead times.

Our aim is to fulfill your aesthetic desire, to minimize your maintenance and to optimize your pleasure during showering.

*“For beautiful and thoughtful shower solutions, **belsh** is your ideal partner”.*

### Sliding doors

|        |                                |       |
